CHIEF OF THE NAVAL STAFF VISITS PAKISTAN AERONAUTICAL COMPLEX KAMRA

ISLAMABAD 11 APRIL, 2013:- Admiral Asif Sandila, Chief of the Naval Staff, Pakistan Navy visited Pakistan Aeronautical Complex, (PAC) Kamra, today.

The Naval Chief was given a comprehensive briefing on the working of PAC Board and its factories. He also visited various facilities of the complex and lauded the valuable contributions of Pakistan Aeronautical Complex towards the aerial defence of the country by providing prompt support for various weapon systems of the PAF. He especially appreciated the production capability of the JF-17 Co-production Project.

He emphasized on the synergistic prospects between Pakistan Air Force and Pakistan Navy and appreciated the capabilities achieved by PAC Kamra in this regard. CNS also underscored the significance of various facilities of PAC Kamra that could be utilized for further strengthen the operational readiness of Aviation Fleet of Pakistan Navy and reiterated all out support for fruitful cooperation in aviation related activities.

Earlier, on his arrival he was received by Air Marshal Sohail Gul Khan, Chairman PAC Board Kamra, who introduced the members of PAC Board and Managing Directors to the Naval Chief.

Pakistan Aeronautical Complex, Kamra has grown from strength to strength over the years. Being the leading Aviation Industry it has placed Pakistan amongst the elite group of countries that manufacture fighter aircraft.
