COMMANDER OF THE IRAQI AIR FORCE VISITS PAC KAMRA, PAF ACADEMY AND AIR WEAPON COMPLEX

ISLAMABAD 01 JUNE, 2013: A delegation led by Lt Gen Anwer Hamad Ameen Ahmed, Commander of the Iraqi Air Force, visited Pakistan Aeronautical Complex Kamra, where it was received by Air Marshal Sohail Gul Khan, Chairman Pakistan Aeronautical Complex Board, Kamra. The delegation was briefed about organization and functions of PAC Kamra. The delegation visited various aviation factories of Pakistan Aeronautical Complex and took keen interest in the manufacturing facilities of JF-17 Thunder aircraft.

The delegation also visited Pakistan Air Force Academy, Risalpur, where it was received by Air Vice Marshal Rashid Kamal, Air Officer Commanding PAF Academy Risalpur. The delegation attended a comprehensive briefing about the Academy's organization structure and training. The distinguished guests visited College of Flying Training and College of Aeronautical Engineering where they saw the training facilities, Laboratories of Aero-Space and Avionics. The delegation also visited Flying Instructors School and Flying Training Wing.

Later on, the delegation visited Air Weapon Complex, Wah, where it was received by Air Vice Marshal Arshad Khan, Director General Air Weapon Complex. The delegation attended a briefing about the working and organization structure of AWC. The distinguished guests visited different departments of the complex and saw various projects and research work being carried out at AWC. The delegation also visited the Global Industrial & Defence Solutions department.
