CHIEF PROJECT DIRECTOR JF-17 LAUDS THE PERFORMANCE OF PAF AEROBATICS PILOTS AT PARIS AIR SHOW -2015

PARIS 13 JUNE, 2015: Air Vice Marshal Arshad Malik, Chief Project Director JF-17 project Pakistan Air Force witnessed the JF-17 Thunder practice solo aerobatics performance at Le Bourget Paris, today. Later he met with the pilots and technicians of PAF contingent participating in Paris Air Show -2015. He remained with them for some time and appreciated their performance and level of motivation.

While ferrying from Pakistan to France, the Three JF-17 Thunder aircraft along with the PAF contingent had a re-fuelling stop at Italy. Ms Tehmina Jnanjua, Pakistani Ambassador to Italy received the PAF contingent and showed keen interest in the Pakistan's indigenously produced JF-17 Thunder aircraft.
