

Islamabad: An injured evacuated from Chitral in a C-130 aircraft, being shifted to an ambulance at PAF Base Nur Khan. (27-10-2015)

PAF C-130 WITH RELIEF GOODS FOR EARTHQUAKE AFFECTED AREAS LANDS AT CHITRAL

Islamabad 27 October, 2015:- A PAF C-130 aircraft carrying relief goods for the earthquake affected areas of Chitral landed at Chitral today. The aircraft airlifted approximately 10 tons of dry ration comprising Flour, Rice, Pulses, Oil, Milk, Tea, Sugar and Mineral Water for the earthquake affectees of Chitral, which has been badly damaged by the devastating earthquake that rocked the region yesterday. While on its way back to PAF Base, Nur Khan, it also evacuated the injured from Chitral. PAF is actively taking part in the relief operations and its C-130 aircraft are playing a major role in alleviating the miseries of the people of Chitral.
