

**Islamabad: People showing their enthusiasm after seeing Pakistan Super Mushshak aircraft, participating in the African Aerospace and Defence Exhibition, 2016 being held at Waterkloof Air Force Base at Pretoria (South Africa). (19-09-16)**

## **PAF SUPER MUSHSHAK ATTRACTS MASSIVE CROWD AT AFRICAN AEROSPACE AND DEFENCE EXHIBITION, 2016**

**Islamabad 19 September, 2016:** Pakistan Super Mushshak aircraft participating in the African Aerospace and Defence Exhibition, 2016, has become the center of attraction and drawing large crowds at the show. Super Mushshak displayed a wonderful aerial show and static display at the show, held at **Waterkloof Air Force Base at Pretoria (South Africa)**. At the public day, super Mushshak aircraft attracted large number of people showing keen interest in the aircraft specifications and aerobatics performed by the Chief Test Pilot of Super Mushshak. A large number of people also gathered at the Pakistan Aeronautical Complex stall and showed keen interest in the capabilities and facilities displayed by four factories of Pakistan Aeronautical Complex Kamra. The representative of African counties also discussed various options for future cooperation with Pakistan Air Force and PAC.
