AIR CHIEF VISITS PAF ACADEMY ASGHAR KHAN

ISLAMABAD 04 JULY, 2017: Air Chief Marshal Sohail Aman, Chief of the Air Staff, Pakistan Air Force visited Pakistan Air Force Academy, Asghar Khan today. The visit was undertaken with the purpose to assess the training and educational facilities at the various training institutions of the Academy. During the visit, the Air Chief visited the Basic Flying Training Wing and flew a training mission with under training cadet in T-37 Jet Trainer aircraft.

After flying the mission the Air Chief interacted with the under training pilots and urged them to focus their energies towards enhancing their flying skills. He also advised them that in order to face the ever growing challenges of modern air warfare, they should keep abreast with the technological advancements in air power.

While interacting with the Instructor pilots, the Air Chief appreciated their level of motivation and dedication towards service. He also lauded their selfless contributions in training the future fighter Pilots of PAF. He expressed his appreciation on quality training being imparted at this premier institution which has been the hallmark of PAF. The Air Chief takes keen interest in the primary and basic flying training of the budding pilots in order to establish a strong foundation for the future air warriors of PAF.
