PAF CONTINGENT DEPARTS TO PARTICIPATE IN 8TH CHINA INTERNATIONAL AVIATION AND AEROSPACE EXHIBITION

ISLAMABAD 09 NOVEMBER, 2010:- PAF contingent comprising JF-17 Thunder fighter aircraft and the Sherdils formation aerobatics team, along with pilots and technicians, departed for China to participate in the forthcoming 8th International Aviation and Aerospace Exhibition at Zhuhai, China from 16-21 November, 2010.

The PAF Sherdils formation aerobatics team comprising nine K-8 aircraft would perform aerial display during the air show. This is for the first time that nine ship PAF Sherdil formation aerobatic team would perform in any international event of this stature. Three indigenously manufactured JF-17 Thunder fighter aircraft would also be on aerial/static display at the Exhibition. World famous exhibitors like Boeing, Airbus, Honeywell, Rolls-Royce etc will also be participating in the exhibition. Red Eagles Aerobatic team from USA and ASB aerobatic team from UK have also confirmed their participation in the exhibition.
